USING YOUR VIDEOS

- They're yours to use anywhere for your business: website, Facebook, Instagram, YouTube, Google profile, ads, TV and in-store screens.
- Upload the original file, not a screen recording or a copy sent through a text message, so it stays sharp.
- Tag me when you post. I'd love to share it.

Backup: I'll keep a copy of your project until

WHAT'S NEXT

Leave a review

A quick Google review helps a small business like mine more than anything.

Monthly check-in

Plan clients get a short form each month: what you liked, what you didn't, what's working. I use it to make every next video better.
